

# **12,000 BTU - WALL-MOUNT AC** **WITH DIT , T3 CLIMATE**

## **Enjoy a more intelligent way of living**

### **AI Auto Cooling**

#### **Stop feeling cold when you dehumidify**

*Comfort Drying for Cold-free Dehumidification*

Enjoy comfortable dehumidification without feeling cold. Dry Comfort mode jointly analyzes the temperature and humidity using a sensor and dehumidifies without overcooling by using fine-tuning technology to control the refrigerant flow rate. So it is ideal when sleeping or in the rainy season.

## **Reduces noise and energy use by 73%\***

### **Digital Inverter Boost**

Save money every day with highly energy-efficient Digital Inverter Boost technology. It maintains the desired temperature with less fluctuation. It also has neodymium magnets and a Twin Tube Muffler, so it works efficiently, quietly and lasts much longer. And it reduces energy usage by up to 73%\*.

## **Designed to cool faster, wider & farther**

### **Fast Cooling**

Cool rooms quickly from corner to corner, so you're always comfortable. Digital Inverter Boost technology cools the air 43% faster\*. Its advanced design also has a 15% larger fan, 18% wider inlet and a 31% wider blade. So cool air is dispersed farther and wider\*\*, reaching up to 15 meters.
